### Technical specifications:

Part No:	Height:	Length/Width:	No. of Cushions:	Power syst.:
124-303196	51-96 cm	200x70cm	3	Hydraulic
124-303596	51-96 cm	200x70cm	3	Electrical/Foot switch

# FOLLO CORPUS S

**S Expert 9-section** (101-212-01-Hy / 101-212-21-EI)

**S Variant 4-section**  
(101-212-00-Hy / 101-212-20-EI)

**The Follo Corpus S** – the well renowned Sesam table. Years of experience, research and testing lay behind the design and construction of the Sesam therapy tables. The result is a unique table for functional treatment, and ergonomics for patient and therapist alike. Sesam Expert is the perfect tool of today's physiotherapist for the good reason that it can be adjusted to suit any conceivable therapy condition.

Independently adjustable back, side, leg and arm rests provide the best pre-condition for successful therapy. The table helps the patient relax and provides the therapist with the best possible working conditions regardless of treatment.
